

Apples

A: Ugh, excuse me, have you got any apples?

B: No, sorry, I haven't. I've eaten them all.

A: Umm, what about oranges?

B: Yes, I've got some oranges. They're from Italy.

A: Well, I'll have half a kilo, please.

B: Here you are. That'll be eighty pounds.

A: Eighty pounds? That's impossible!

B: Oh, I'm very sorry. I meant 80 p.

A: Aah, that's more like it. Here you are, 80 p.

B: Thank you. Have a good day.

A: And you. Bye-bye!
